GENERAL GUIDELINES AND MARKET PROCEDURE

1. What may be sold? Fresh produce, cut flowers, live plants, baked goods, eggs, honey, jams, jellies, frozen meats, and handcrafted items. Product-specific guidelines are outlined in K-State's [Regulations and Food Safety Best Practices](#).
2. Each seller has the privilege to establish their own prices on goods sold at their booth.
3. Market location, dates and times - The Silver Lake Farmer's Market and Family Fun Fair is located in the parking lot of the Silver Lake Public Library. The market will be held every Tuesday, June 4th—August 27th, from 6 p.m.- 8p.m.
4. Vendor booths: The parking lot on the east side of the Public Library will be closed off and used for the Farmer's Market. Vendors will set up their booths on a first come first serve basis. Vendors can start setting up 30 minutes prior to 6 p.m. Vendors are responsible for supplying their own tables and chairs.
5. Vendors are responsible for their own insurance, licenses and any permits necessary for the products they sell at the Farmer's Market. Most produce, eggs, and baked goods sold do not require a license. Please refer to the K-State [Regulations and Food Safety Best Practices](#) for more information on this topic.
6. Vendor fees - The 2024 Silver Lake Farmer's Market does not require a vendor fee to participate in our market.
7. All vendors must display the Sales Tax Registration Event Certificate at their booth. This certificate will be given to you at the vendor meeting before the first market.
8. All vendors must collect and remit sales tax. At the end of the Farmer's Market, vendors must file a Kansas Sales Tax Special Events Return, even if there were no taxable sales.
